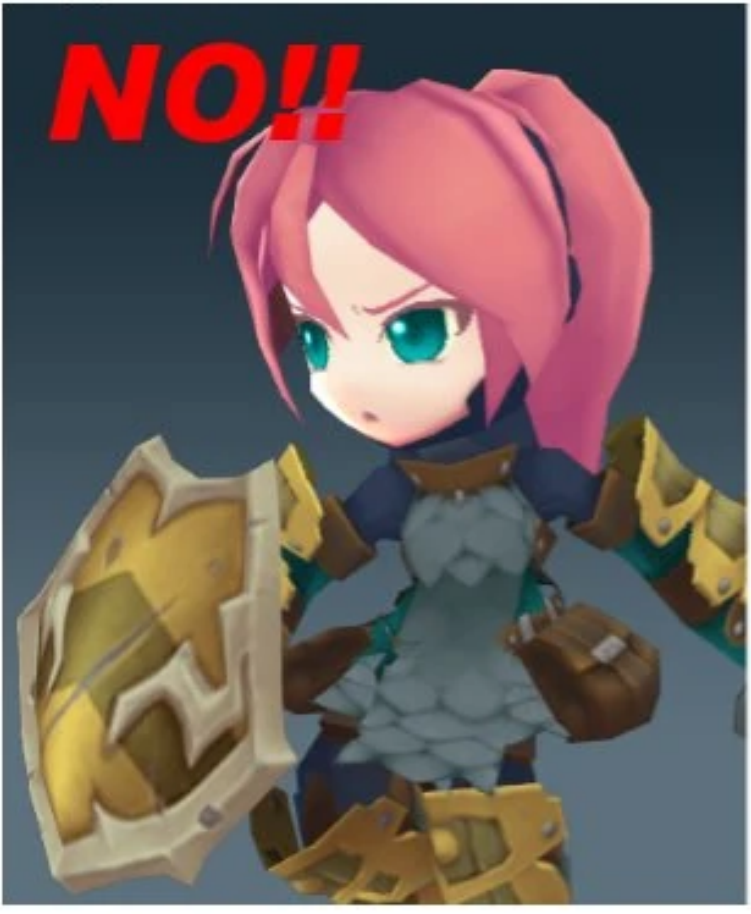
Only eyes should be visible on face.



No Mouth.
No Ears.
No Hair.
Nose in silhouette only.

Cloth

Low texture. Very few find details.
Torn edges resemble overlapping circles.
Visible/Very Large stitches when details needed, but not overdone.
No dynamic cloth objects. (No capes)

Ears are often Megaman style, but not required.

Often, helmets have nodes on the side about where the character's ears would be. These are frequently done in a 'Megaman' style.

SPIRAL KNIGHTS

Fur

Fur follows very similar rules as cloth. No small details; Keep forms big and fat. Almost reads like leaves or feathers.
Use layering to give volume to form.

SPIRAL KNIGHTS

Texture

Helm and armor are separate textures.
The armor texture generally is twice the resolution of the helm texture.
